At

Hotel Savera, Chennai, Tamilnadu, India

on

10th, 11th and 12th December, 2018

REGISTRATIONS OPEN AT OUR WEBSITE : www.ifkf2018.org

We take pleasure in Inviting you to register and participate in this unique Conference that brings together **Kidney Foundations, Doctors, Kidney Patients, Care givers, Dialysis Technicians, Nurses, Donors, Staff and Individuals** associated with the cause of Kidney Disease.

The Conference will bring together the best of **National and International Speakers** and Participants so that they will be part of the **Consensus Session, Panel Discussion, Poster Session, Lectures** providing a wide range of learning opportunities.

The IFKF Conference is a great opportunity for all **Doctors, Foundations, NGOs** and like-minded people to meet and understand and take forward **Kidney Disease Awareness, Screening, Advocacy, Dialysis methods, Nutrition and Diet, Fund Raising Methods, Organ Donation, Transplantation** and much more.

Foundations participating in this Conference will be provided space to display their activities at a cost against confirmation of participation. IFKF members will not be charged.

The Tamilnad Kidney Research Foundation (TANKER) was founded on **30th June 1993**. **Dr. Georgi Abraham** along with a group of like-minded individuals who through their efforts have lived up to the **Vision** of Helping Needy Patients Financially, Spreading Awareness & Screening Camps, providing Subsidized and Free Dialysis.

The International Federation of Kidney Foundations (IFKF) was formed to foster International Collaboration and the Exchange of Ideas to lead the way in the **Prevention and Treatment** of Kidney Disease, through its presence internationally and facilitates in establishing more Kidney Foundations and helps existing Foundations to become more dynamic and effective.

We look forward to your esteemed presence and participation in making this Landmark Conference a fruitful and successful one.

Warm regards,

Latha A Kumaraswami
